BARNABAS ON FOOD:

My favorite drink is a Bloody Mary, or a Bloody Alice, or a Bloody anybody.

Recently, I went on the Air Force Diet and drank only blood from pilots. I had to quit because it made me high.
I also went on the Drinking Man's Diet and didn't drink anything except the blood of drunks.

My doctor finally put me on a low-corpuscle diet. I lost a lot of weight. Now I'm just a shell of my former self. If you hold me to your ear, you can hear the ocean.

Man does not live by blood alone.
But I can't stand hot-cross buns.
I can't eat Swiss cheese. The holes get in my teeth.
As for corn on the cob, don't serve it to me. I can only eat two kernels at a time.

BARNABAS ON LIFE:

Lots of people don't understand vampires. We've got feelings too.

I like music. My favorite instrument is the casketnets.

I have relatives. They don't come around much. My rich brother-in-law is afraid I'll put the bite on him.

I like to munch on leechienuts.

I get embarrassed when people see my fangs and tell me it's impolite to point.

Of course, a lot of people say my drinking will ruin their health.

I have an electric brush which I use on my fangs. So I only have to see my mechanic twice a year.

I've only been in serious trouble once. I was arrested for robbing a blood bank.

When I talk to people they always get the point.

I never play golf. But I've made holes in one.

Last time I visited my dentist, he said my fangs were in good shape but my gums would have to come out.

I went to the Red Cross and asked for two pints to go.

Do you have health problems? I have a sure cure for high blood pressure.

BARNABAS SOMETIMES SAYS:

I have a few enemies. There's bad blood between us.

Some people ask if it is painful to be bitten by a vampire. No, it only hurts when you laugh.

I visited the hospital to see a friend, a witch who was hurt in an accident. She flew off the handle.

The woman said hospital costs were so high, she had to sell her blood to pay the bill.

She even advertised. Had a sign over the bed which read: "Blood, last three days."

The witch was on medicare. While she was asleep, they operated and took a wart off her nose. When she came to, she made them put it back on again.

My favorite dance is the Fang-dango.

My favorite saying is: "The tooth hurts."

Some say blood is thicker than water. I'll drink to that.

Vampires have a lot of bad habits. But as for me, I never drink before sundown.

When I dress up, I always wear a tie. When it's a formal party, I just kill a bat and tie it around my neck.

Recently at a party we tied up a beautiful woman and drank her blood. She wouldn't come to our next party. Said she was tired of being stuck for the drinks.

While I was on a flight to England, a stewardess asked me if I would like to see a menu. I told her no, I'd rather see the passenger list.

I'm not a bad person. I let the kids in the neighborhood play baseball on my lawn. I even let them use a live bat.

When the acting bug bites you and you bite back, that's news.
